CAPI TRAVELS TO WASHINGTON FOR CITIZENSHIP DAY

Hundreds of Americans converging in DC to celebrate citizenship by pushing for the transformative change they voted for

Minneapolis, Minn (September 16, 2009) – Seizing the responsibilities of citizenship, CAPI is sending 2 representatives to Washington, DC, to celebrate Citizenship Day on September 17, 2009. Ann Vang and Joe

Vang are joining hundreds of Americans from all over the country for a day-long celebration of citizenship and the responsibilities that come with that privilege. Also, CAPI will visit members of Minnesota’s congressional delegation to engage in dialogues to discuss health care and immigration reform.

The event is organized by the Southeast Asian Resource Action Center and the Unity Movement.

“Now, we’re advocating, calling and faxing because that is the next step in making change a reality and becoming fully engaged citizens. We can’t move forward as a nation if we don’t tackle our major economic and social problems. And as citizens we must do everything in our power to see to it that the actions of our elected representatives reflect the will of the people,” remarked Ann Vang.
